### DPA ASSOCIATE MEMBERSHIP

America's dairy farmers have been helping themselves by helping others through membership in Dairy Pricing Association since 2010. DPA is now pleased to offer an associate membership option for both individuals and businesses to help support the efforts of dairy farmers in improving their industry by promoting and bringing high-quality dairy products to those in need. Whether you are an individual who wishes to help bring great nutrition to hungry people while helping dairy farmers at the same time, or you are a business who wishes to support the dairy farmers who support you and so many others in the local economy...becoming an Associate Member of DPA is for you.

As an Associate Member, you will be recognized as a supporter and friend of the dairy farmer on the DPA website, in member newsletters, and will be mentioned on weekly member conference calls. Dairy farmer members of DPA by their very nature seek to make a difference with the dollars they spend. They will therefore seek out and support those who choose to help in their efforts. Please complete the Associate Member application form below and return to DPA. Helping America's dairy farmers help themselves by helping others is a win-win-win!
